Lazy J Dragstrip was one of the first cows we picked up at the Blue Ridge sale. She is a Tri-color speckled roan with beautiful twisting horns that measured 78" at last measurement. She is sired by the great Drag Iron and her dam is 2 Far 2 Fast, which brings in a heavy Butler influence, including Farlap Chex. She is a pasture favorite for her color, personality, and production of genetically stacked and conformation correct calves.
